3 Car Garage

MAIN FLOOR

2ND FLOOR

- From the moment you pull up, the brick exterior, soaring rooflines and architectural details, will fill you with the emotions of finally being home.
- The main level is grounded by spaces that warmly welcome everyone in. The great room, kitchen, dining area and covered patio flow effortlessly for everyday living or family entertaining.
- The main level primary bedroom is spacious, private and calming. The bathroom has a free-standing soaking tub and a walk-in tiled shower for you to choose how to unwind at the end of the day. The laundry room has a back entrance from the primary closet to help control the chaos.
- This home is finished upstairs with three more bedrooms and two bathrooms. The bonus room's closet gives it the versatility of a true fifth bedroom.
